

In partnership with South Adams County Fire Department

Dear Business Owner,

We are excited to announce the 62nd Annual South Adams County Fire Fighters Association Spaghetti Dinner on Saturday, September 09, 2023. This event is our largest fundraiser and a staple in the community. Proceeds from this event go towards our 501c3 charitable organization and are used to help support current firefighters, past firefighters, retirees, and many first responder organizations. The SACFFA has a long history within the community and believes in giving back to the community!

Each year, the SACFFA Spaghetti Dinner serves over 5,000 dinners to our community. If you were one of our many sponsors in the past years, we appreciate your continued support and look forward to working with you again this year. If this is your first time, we hope to welcome you to the ever-growing cadre of sponsors of this annual event.
