

In partnership with South Adams County Fire Department

Dear South Adams County Fire Partner,

We are excited to invite you to become a sponsor of the **65th Annual South Adams County Fire Fighters Association Spaghetti Dinner**, taking place on Saturday, September 12, 2026.

For more than six decades, this event has been a cherished community tradition and the South Adams County Fire Fighters Association's largest annual fundraiser. Proceeds directly support our **501(c)(3) charitable organization**, helping us provide assistance to current and retired firefighters, first responders, and their families during times of need. Funds also support our college scholarship program for firefighter dependents and provide financial assistance to firefighters, EMTs, and paramedics facing cancer and other significant hardships.

The South Adams County Fire Fighters Association has a proud tradition of serving our community and giving back. Each year, we serve more than **2,800 spaghetti dinners** to residents throughout the South Adams County Fire District. We are grateful for the generous businesses and community partners who have supported this event over the years. If you have sponsored us in the past, thank you for your continued partnership. If this is your first time considering sponsorship, we warmly welcome you to join this longstanding community tradition.
